FURTHER RESOLVED, that Robert B. Rowling is hereby designated the Chair of the Policy Committee and shall preside at its meetings.

Endowment and Operating Funds Update Report

Mr. Caven asked Ms. Iberg to present the Corporation's endowment and operating funds update. Ms. Iberg began by discussing performance reports ending February 28, 2007. She reviewed portfolio policy ranges and policy targets, and then presented the Market Exposure chart showing market exposure and deviations from policy targets within tactical policy ranges. The net performance for the one-month period ended February 28, 2007, for the PUF was 0.97% and for the GEF was 1.11%, versus benchmark returns of 0.14% for each fund. The net performance for the one-year period ended February 28, 2007, for the PUF and GEF were 12.45% and 12.81%, respectively, versus benchmark returns of 12.04% for each fund. The Intermediate Term Fund's (ITF) performance was 0.58% versus its benchmark return of 0.39% for the one-month period, and was 6.70% versus its benchmark return of 6.74% for the six-month period ended February 28, 2007. Performance for the Short Term Fund (STF) was 0.40% versus 0.38% for its benchmark for the one-month period, and was 5.24% versus a benchmark return of 5.01% for the one-year period ended February 28, 2007. Ms. Iberg continued by reporting information on performance attribution, liquidity, derivatives, and actions taken under the Delegation of Authority. Ms. Iberg handed out the most recent Risk Dashboard reporting as of February 28, 2007. Ms. Iberg, Mr. Eakman and Mr. Yoeli answered the Directors' questions.

Executive Session

Mr. Caven, at 10:19 a.m., announced that "The Board of Directors of The University of Texas Investment Management Company having been duly convened in Open Session and notice of this meeting having been duly given, I hereby announce the convening of a closed meeting as an Executive Session for the purpose of consulting with legal counsel regarding counsel's advice regarding application of The University of Texas Investment Management Company Code of Ethics to certain investment activities, and to deliberate individual personnel matters. This Executive Session meeting of the Board is authorized by **Texas Government Code** sections 551.071 and 551.074. The time is now 10:19 a.m. and the date is April 10, 2007."

The meeting was recessed for lunch at 12:30 p.m. The Board of the Corporation reconvened in an open meeting at the same meeting location at 1:34 p.m.

Reconvene in Open Session

The Board reconvened at 1:34 p.m., in open session, and Mr. Caven announced that, "the Open Session of the Board of Directors of The University of Texas Investment Management Company is now reconvened. The date is April 10, 2007 and the time is now 1:34 p.m. During the Executive Session, the Board discussed with legal counsel regarding counsel's advice regarding application of The University of Texas Investment Management Company Code of Ethics to certain investment activities, and to deliberate individual personnel matters, but did not take any final action or votes, or make any decisions."

Recommended Distribution Rates

Mr. Caven asked Ms. Iberg to present the recommended distribution rates for the Permanent University Fund (PUF), the Permanent Health Fund (PHF), the Long Term Fund (LTF) and the Intermediate Term Fund (ITF). She explained that each of the Funds' respective Investment Policy Statement provides the guidelines to calculate the distribution amount or rate and provides the spending policy objectives of the Fund. Ms. Iberg answered the Directors' questions. Upon motion duly made and seconded, the following resolutions were unanimously adopted:

RESOLVED, that the annual distribution amount for the Permanent University Fund be increased from \$400,685,603 to \$448,942,761, for fiscal year 2008, effective with the September 1, 2007 distribution; the distribution rate for the Permanent Health Fund be increased from \$.0496 per unit to \$.0511; the Long Term Fund be increased from \$.2844 per unit to \$.2929 per unit for fiscal year 2008, effective with the November 30, 2007 distributions; and the distribution rate for the Intermediate Term Fund remain at 3.0% per annum for fiscal year 2008, effective with the September 1, 2007 distribution; and

BE IT FURTHER RESOLVED, that the annual distribution amount for the Permanent University Fund and the distribution rates for the Permanent Health Fund, Long Term Fund, and Intermediate Term Fund be approved and adopted by this Corporation's Board of Directors, subject to approval by The University of Texas System Board of Regents.

Audit and Ethics Committee Report

Mr. Caven asked Mr. Rowling, in Committee Chairman Nye's absence, to give a report from the Audit and Ethics Committee. Mr. Rowling reported that the Audit and Ethics Committee had met on March 19, 2007, and covered several items. One item was the audit of the Corporation. Mr. Rowling asked Mr. Ricky Richter of Ernst & Young ("E&Y"), who joined the meeting at this time, to give an account of the E&Y's Audit Results and Communications letter, internal controls assessment audit, and the financial statement audit for the corporation as of August 31, 2006. Mr. Richter stated that E&Y had issued an unqualified opinion on the financial statements. Also discussed were the quarterly unaudited financial statements for the three months ended November 30, 2006, and enterprise risk management. Mr. Rowling asked Ms. Moeller to report on Enterprise Risk Management ("ERM"). Ms. Moeller explained that ERM is the process of identifying and analyzing risk from an integrated company-wide perspective. To assist the committee in evaluating ERM, Ms. Moeller had provided the committee with an introduction of the eight interrelated components, with detailed analysis of two of the eight interrelated components of ERM. Ms. Moeller also discussed the significant institutional risks. The identified risks are: investment due diligence, investment risk management, information technology and security, investment compliance, conflicts of interest, and social security numbers. Mr. Rowling asked Mr. Richter to provide an update to the Board on Ernst & Young's ability to audit the Funds' financial statements for the year ended August 31, 2007. Mr. Richter explained that he had reported to the Audit and Ethics Committee that Ernst & Young, as a firm, had concerns related to their ability to audit alternative investment portfolios, both hedge funds and private equity. Ernst & Young was not able to provide the Committee with a decision at that time, but Mr. Richter wanted the Committee to be aware that the firm is evaluating all relationships that have valuation

procedures with hedge funds and alternative investments. Mr. Richter reported again at the Board meeting that Ernst & Young had still not yet made a decision. Ms. Moeller, Ms. Iberg and Mr. Richter answered the Directors' questions. Upon motion duly made and seconded, the following resolutions were unanimously adopted:

RESOLVED, that Ernst & Young, LLP's Financial Statement Audit Results and Communications for the Corporation for the year ended August 31, 2006, be, and are hereby, approved in the form as presented to the Board; and further

RESOLVED, that UTIMCO management's assertions on Internal Control over Financial Reporting, and the independent accountant's report for the Corporation for the year ended August 31, 2006, be, and are hereby, approved in the form as presented to the Board; and further

RESOLVED, that the annual financial statements and audit report for the Corporation for each for the fiscal years ended August 31, 2006 and August 31, 2005, be, and are hereby, approved in the form as presented to the Board.

Risk Committee Report

Mr. Caven asked Mr. Tate to give a report from the Risk Committee. Mr. Tate stated that the Risk Committee had met twice since the last Board meeting, on March 1, 2007 and April 5, 2007. The first meeting was to have Gifford Fong, a risk consultant retained by the Board, report on his review of the risk management processes of the Corporation. Mr. Tate summarized that Mr. Fong reported that the overall risk procedures of the Corporation work well and that the overall process was thoughtful, and in a number of respects "cutting edge". Policy Issues and Tool Kit Suggestions were also discussed during the Risk Committee meeting, including correlation of funding sources, policy on tactical limits and use of risk exposures in asset allocation. Mr. Tate reported that Mr. Fong is also an advocate of risk budgeting. Mr. Fong had stated that the Risk Dashboard is a good management and reporting tool that is already in place, and offered suggestions that could be incorporated to further complement the reporting. Mr. Fong plans to attend the joint Board of Directors and Board of Regents meeting to meet the Directors and the Regents in person and give a report of the overview he has performed on the risk management program. Mr. Tate reported that at the Committee meeting in April, Ms. Iberg gave a presentation of the Corporation's risk process and resources. Mr. Tate stated that progress will be made over the next few months to provide the Board, and ultimately the Board of Regents, confidence with the risk management process. After Mr. Tate's report, there was a short discussion of risk budgeting and correlation.

Asset Allocation Review

Mr. Caven asked Ms. Iberg to continue with the next agenda item. Ms. Iberg passed out a presentation on Asset Allocation Review. The presentation covered an overview of the Risk Committee meeting held on March 1, 2007, an asset allocation framework, issues for consideration, policy amendments and timeline for the asset allocation process. After a lengthy discussion, with Ms. Iberg answering the Directors' questions, it was decided that the topic will be discussed at more length at the next Board meeting.

Legislative Update

Mr. Caven asked Ms. Gonzalez to give the Board an update on legislative activity. Ms. Gonzalez reported on the current status of legislation affecting the Corporation in the 80th Regular Legislative Session.

There being no further business to come before the Board of Directors, the meeting was adjourned at approximately 4:15 p.m.

(1) - Effective May 6, 2004, benchmark returns for the PUF policy portfolio have been restated for prior periods beginning June 1, 1993 through September 30, 2000 and for the GEF/LTF policy portfolio for prior periods beginning June 1, 1993 through September 30, 2001 to correct the following technical errors in benchmark construction and calculation: (a) to reflect actual asset class target allocations which were in place, or the practical implementation of changes to those policy allocations, and (b) to distinguish between PUF and GEF/LTF historical investment objectives and distribution policies by accurately representing actual asset class allocations during those periods.

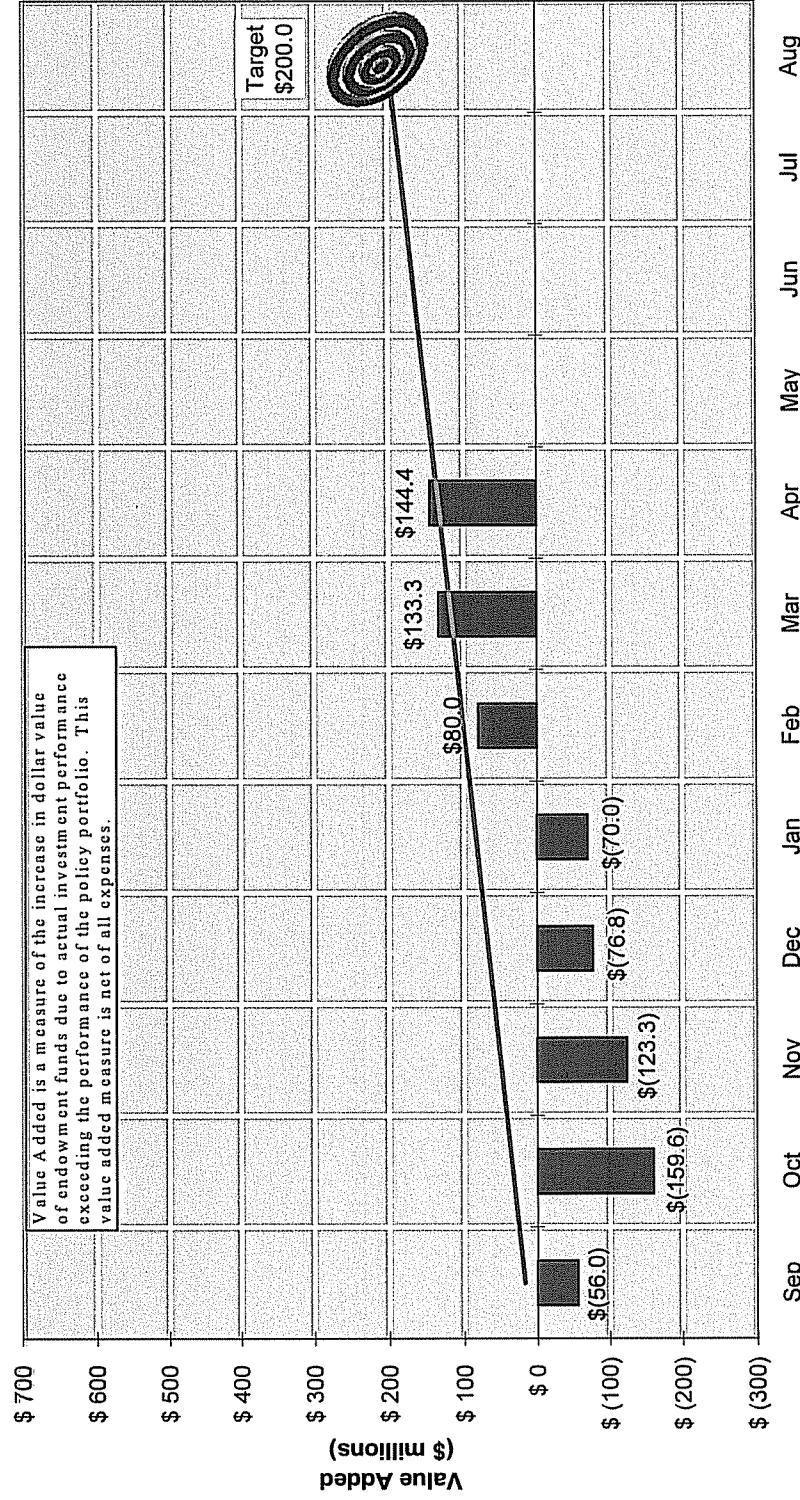

Benchmark returns for the PUF and GEF/LTF policy portfolios were also restated for all prior periods beginning June 1, 1993 through December 31, 2003 to replace various benchmark returns reported previously for the Private Capital asset class. Specifically, the Wilshire 5000 + 4%, the benchmark used prior to January 1, 2004, was replaced with the Venture Economics Periodic IRR Index, a more appropriate benchmark measure for the actual Private Capital portfolio.

Effective August 10, 2006, benchmark returns for the PUF and GEF policy portfolios were also restated for periods beginning January 1, 2006 through April 30, 2006, and for the ITF policy portfolio for periods beginning February 1, 2006 to April 30, 2006, to replace benchmark returns for the Hedge Fund asset class due to integrity concerns regarding existing benchmarks. Specifically, composites of Standard & Poor's investable hedge fund indices were replaced with the MSCI Investable Hedge Fund Index.

Complete details of the restatements and previous policy portfolio benchmark history are documented on the UTIMCO website at www.UTIMCO.org or are available upon request.

(2) - Value added is a measure of the difference between actual returns and benchmark or policy portfolio returns for each period shown. Value added is a result of the active management decisions made by UTIMCO staff and external managers.

UTIMCO Board Meeting
May 31, 2007

Agenda Item: Discussion of Risk Dashboard

Developed By: Yoeli, Wagner

Presented By: Iberg

Type of Item: Information Item

Description: UTIMCO has developed a set of standardized charts and graphs that will be provided to the Board on a monthly basis presenting a comprehensive risk analysis of the Endowment Funds and the ITF.

For this Board Meeting we will present the Risk Dashboard for March 2007.

Discussion: The role of the Dashboard is to give Board Members a comprehensive view of risk as it relates to the Endowment Funds and ITF. We consider this an evolving document and welcome all requests for additional analyses or revisions of the ones provided.

Agenda Item

UTIMCO Board of Directors Meeting
May 31, 2007

Agenda Item: Comprehensive Derivative Report

Developed By: Childers

Presented By: Iberg

Type of Item: Information Item

Description: The Derivative Investment Policy ("Policy") requires that UTIMCO provide a comprehensive report of all approved derivative applications for both internal managers and external managers under agency agreements and also provide a comprehensive report of all outstanding derivatives positions established by internal managers and external managers under agency agreements. Staff has also prepared a report on counterparties. The reports presented are for the period ended April 30, 2007.

Discussion: As of April 30, 2007, net mark-to-market values of derivatives (internal and external) was \$41.2 million.

The mark-to-market value of over-the-counter derivatives was \$40.2 million. However, the net exposure to counterparties was \$22.9 million. As permitted by bilateral ISDA collateral agreements, the PUF called \$17.3 million of collateral to be posted by a broker, thereby reducing the counterparty risk.

While \$49.7 million was owed to counterparties by the PUF, GEF and ITF (Funds), \$72.6 million was owed by counterparties to the Funds. This \$72.6 million owed to the Funds represents the Funds' counterparty risk. The \$72.6 million reflects the reduced counterparty risk due to the \$17.3 million collateral called.

There were no counterparties with exposure to the Funds in excess of 1% of the Funds' value.

Recommendation: No action required.

Agenda Item
UTIMCO Board of Directors Meeting
May 31, 2007

Agenda Item: Report on Actions taken under the Delegation of Authority

Developed by: Staff

Presented by: Iberg

Type of Item: Information item

Description: The Delegation of Authority delegates to the CEO the authority to execute on the behalf of UTIMCO all contracts, leases, or other commercial arrangements (except investment management agency contracts, partnership agreements, investment consultant agreements and agreements with independent auditors) for a total obligation of \$1 million or less. The Delegation of Authority requires staff to report contracts, leases, or other commercial arrangements executed by the CEO with a total obligation of \$1 million or less.

The Delegation of Authority also requires that the CEO notify the UTIMCO Board at its regularly scheduled Board meetings regarding all decisions made under the delegated authority related to new manager selection and increases in investments or commitments to existing managers.

Recommendation: None

Discussion: Staff has prepared the reports to update the UTIMCO Board on (1) Manager activity, and (2) new and renewal of existing contracts, leases and other commercial arrangements, and (3) staffing and personnel adjustments.

Reference: Manager Activity Taken Under the Delegation of Authority; New Contracts and Existing Contract Renewals, Leases, and Other Commercial Arrangements

Agenda Item

UTIMCO Board of Directors Meeting
May 31, 2007

Agenda Item:	Discussion on Compliance and External Auditor
Developed By:	Iberg, Moeller
Presented By:	Nye
Type of Item:	Information item
Description:	Staff has consulted with members of the Audit and Ethics Committee ("Committee") to discuss an independent chief compliance officer and to report on the search for an external auditor for the investment funds.
Discussion:	Staff reported on the position of an independent chief compliance officer, the position's duties and responsibilities, and the compliance responsibilities of the departments and specific positions and the potential interaction between the departments/positions with the independent chief compliance officer. All departments are involved in compliance. Staff recommended that the independent chief compliance officer report functionally to the Committee and administratively to the President and CEO. Additionally, the President and CEO would nominate the independent chief compliance officer for hiring by the Committee and the Committee would have exclusive dismissal authority. The Committee members also received a report from staff on the search for an external auditor of the investment funds. Ernst & Young, LLP notified UTIMCO staff on Friday, April 13 th that the firm was withdrawing as the auditors. UT System issued Request for Qualifications on May 9, 2007 with a response deadline of June 4, 2007. Oral presentations have been set for June 15 th and 18 th .
Recommendation:	none

- VI. Assist in the development of the agenda for the Audit and Ethics Committee and Risk Committee.
- VII. Administer Enterprise Risk Management
- VIII. Other specific duties outlined in policies (see below)

Code of Ethics

"Chief compliance officer" means the person designated from time to time as the chairman of the employee ethics and compliance committee.

Sec. 1.12. Nepotism.

(e) This section does not prohibit the employment of a relative of an employee for a short-term special project as a non-exempt employee if the employee seeking to employ a relative discloses the relationship in advance to the chief compliance officer and obtains prior approval from that officer for the employment.

Sec. 1.13. Gifts and Entertainment.

(c) Attendance of directors or employees at seminars or conferences that involve entertainment or recreation and that are sponsored and paid for by UTIMCO's consultants or agents, prospective consultants or agents, or persons or entities that interests may be affected by UTIMCO may in some cases be in the best interest of UTIMCO. An employee must obtain specific written approval to attend such events from the president or chief compliance officer. Approval may be withheld for elaborate entertainment events such as ski trips, hunting trips, or stays at expensive resorts.

Sec. 2.03. Duty to Avoid Conflicts of Interest. (a) Directors and employees should avoid personal, employment, or business relationships that create conflicts of interest.

(b) A director or employee may not take action personally or on behalf of UTIMCO that will result in a reasonably foreseeable conflict of interest. If a director or employee believes that an action is in the best interest of UTIMCO but could foreseeably result in a conflict of interest, the director or employee must disclose that fact to the chief compliance officer before taking the action.

Sec. 2.07. Waivers of Conflicts of Interest.

(a) The Board shall decide at an official meeting whether to waive any conflict of interest disclosed under Section 2.06(b) of this code.

(b) To assist it in deciding whether to grant waivers, the Board may develop criteria for determining the kinds of relationships that do not constitute material conflicts.

(c) Any waiver of a conflict of interest, including the reasons supporting the waiver, must be included in the minutes of the meeting.

(d) The chief compliance officer shall maintain records of all waivers granted, including the reasons supporting the waivers.

Sec. 2.09. Procedures for Employee's Disclosure of Conflict of Interest.

- (a) An employee must promptly disclose conflicts of interest in writing to the chief compliance officer through the financial disclosure and ethics compliance statement required by Section 4.03 of this code. The chief compliance officer shall report to the audit and ethics committee regarding the statements the officer receives under this subsection.
- (b) If a person with a duty to disclose a conflict has a reasonable cause to believe that disclosure to the chief compliance officer will be ineffective, the person shall disclose the conflict to the audit and ethics committee by filing a written disclosure with the chairman of the committee.
- (c) A copy of the disclosure provided to either the chief compliance committee or the audit and ethics committee shall be provided to the employee's supervisor unless the person with the conflict of interest believes that the disclosure would be detrimental to the resolution of the conflict.

Sec. 3.08. Employee Personal Securities Transactions.

- (a) An employee or employee entity may not engage in a personal securities transaction without obtaining preclearance for each transaction from the chief compliance officer. Preclearance is effective for one trading day only.
- (b) The chief compliance officer shall verify that no buy/sell order has been placed by a UTIMCO internal manager for securities of the same class. If such a buy/sell order has been placed, an employee or employee entity may not conduct a personal securities transaction for those securities until at least one trading day after the buy/sell order has been completed or canceled.
- (c) The chief compliance officer shall document preclearances in a personal securities transaction log for each employee, which will provide a record of all requests and approvals or denials of preclearances.
- (d) An employee who engages in a personal securities transaction must also provide transactional disclosure for each transaction by completing a transactional disclosure form and filing it with the chief compliance officer not later than the tenth calendar day after the trade date. The form must contain the:
 - (1) name and amount of the security involved;
 - (2) date and nature of the transaction;
 - (3) price at which the transaction was effected; and

(4) name of the broker through whom the transaction was effected.

(e) The preclearance and transactional disclosure requirements apply only to equity or equity-related transactions, including stocks, convertibles, preferreds, options on securities, warrants, and rights, etc., for domestic and foreign securities, whether publicly traded or privately placed. The preclearance and transactional disclosure requirements do not apply to bonds other than convertible bonds, mutual funds, co-mingled trust funds, financial futures, and options on futures.

Sec. 4.02. Financial Disclosure Statements.

- (a) Directors and employees shall file financial disclosure statements with the chief compliance officer.
- (b) Directors and employees shall file the financial disclosure statement not later than the 30th day after the date of appointment or employment, and not later than April 30 of each year thereafter. The president may postpone a filing deadline for not more than 60 days on written request, or for an additional period for good cause as determined by the chairman of the Board.
- (c) UTIMCO must maintain a financial disclosure statement for at least five years after the date it is filed.
- (d) Directors who are required to file disclosure statements with the Texas Ethics Commission shall file those statements in the form prescribed by law.

Sec. 4.03. Ethics Compliance Statements.

- (a) Directors and employees, including acting or interim employees, must file ethics compliance statements with the chief compliance officer.
- (b) Directors and employees shall sign, date, and file the ethics compliance statements not later than the 60th day after the date of appointment or employment. Thereafter, any person who is a director or employee on December 31 of any year must file the compliance statement not later than April 30 of the following year.
- (c) In the ethics compliance statement, the director or employee must acknowledge that he or she has received and read this code, that he or she will comply with its provisions, and that it is his or her duty to report any act by other directors or employees when he or she has knowledge of a violation of this code. An employee must also acknowledge that adherence to this code is a condition of employment. The statement must also disclose any conflicts of interest or violations of the code of which the director or employee is aware.
- (d) Key employees must acknowledge their key employee status in the ethics compliance statement.

(e) The ethics compliance statement must include a reminder that a director or employee is required to update a statement if a change in circumstances occurs that would require reporting under this code.

(f) An employee's signed statement shall be maintained in the employee's personnel file. The chief compliance officer shall maintain the directors' signed statements.

Sec. 4.05. Disciplinary Action Disclosure Statements.

(a) Directors and key employees shall file disciplinary action disclosure statements that disclose any proceedings, actions, or hearings by any professional organization or other entity involving the director or key employee.

(b) Directors and key employees must file the disciplinary action disclosure statement with the chief compliance officer not later than April 30 of the first year of designation as a director or key employee.

(c) A director or key employee must promptly update a statement if any action occurs that would cause a director's or employee's answers to change.

Sec. 4.06. Custodian of Records. For open records purposes, the chief compliance officer is the custodian of the disclosure statements required by this code.

Sec. 4.08. Duty to Report.

(a) A director who has knowledge of a violation of this code shall report the violation to the general counsel.

(b) An employee who has knowledge of a violation of this code shall report the violation to the chief compliance officer or to a member of the audit and ethics committee.

(c) Retaliatory action may not be taken against a person who makes a good faith report of a violation involving another person.

Delegation of Authority

Documentation, Controls, and Reporting:

All UTIMCO Management decisions made under this Delegation of Authority Policy will be monitored by UTIMCO's Chief Compliance Officer. Any exceptions to this Policy will be reported to the Chief Executive Officer immediately. The UTIMCO Chief Executive Officer will develop a remedy to the exception, if possible, and report the exception and the remedy to the UTIMCO Chairman immediately. Additionally, the UTIMCO Chief Executive Officer will report any exceptions to this policy to the UTIMCO Board at its next regularly scheduled meeting, unless the Chairman instructs otherwise.

Liquidity Policy

Documentation and Controls:

Managing Directors responsible for each asset class are responsible for determining the liquidity category for each investment in that class. These classifications will be reviewed by the Risk Manager and must receive final approval from the Chief Investment Officer. Classifications and weights within each liquidity category will be updated and reported on a monthly basis. The monthly liquidity reports will include certification by each Managing Director, the Risk Manager, the Chief Compliance Officer, and the President of UTIMCO that all investments are properly categorized and reported. All new investments considered will be categorized by liquidity category, and a statement regarding the effect on overall liquidity of the addition of a new investment must be an element of the due diligence process and will be a part of the recommendation report to the UTIMCO Board.

Derivative Policy

Risk Management and Compliance:

To ensure compliance with all terms and limitations of this Policy, all internally managed and externally managed derivatives in accounts under Agency Agreements will be marked to market on a daily basis by the Funds' external custodian, and these daily reports will be reviewed for accuracy by the UTIMCO Risk Manager. Compliance with the conditions of this Policy will be monitored by the UTIMCO Chief Compliance Officer using data provided by the external custodian and the external risk model. Data from the external risk model will be reviewed for accuracy and completeness by the UTIMCO Risk Manager. Any violations of the terms in this Policy will be reported immediately to the Chief Investment Officer, who will determine the appropriate remedy and report promptly to the Risk Committee and the UTIMCO Board.
